

PHICONTOUR

ABOUT THE TREATMENT

PHICONTOUR IS A SKILL OF SEMI-PERMANENT DRAWING OF EYELIDS, LIPS, SCALP OR AREOLA. THE SHAPE IS CALCULATED BASED ON THE GOLDEN INTERSECTION (PHI 1.618) AND FACE MORPHOLOGY. THE SYMMETRY OF LIPS IS ACHIEVED BY USING PHIBROWS APPLICATION. PHICONTOUR OFFERS DIFFERENT TECHNIQUES TO CORRECT NATURAL DEFECTS BUT ALSO TO HIGHLIGHT CONTOURS. THESE ARE IN ACCORDANCE WITH THE AESTHETIC RULES AND NOT ALWAYS WITH THE CLIENTS' DESIRE. OUR GOAL IS TO MAKE CORRECTIONS IN COLOR AND SHAPE, WITHOUT HEAVY MAKE-UP EFFECT. IN ORDER TO SUCCESSFULLY PERFORM THE TREATMENT, THE SKIN MUST NOT BE IN REGENERATION PROCESS, I.E. IT MUST NOT BE DAMAGED. IF THERE IS ECZEMA, SEBORRHEIC DERMATITIS, ACNE, PIMPLES OR ANY DAMAGE IN THE LIPS AREA, SEVEN DAYS BEFORE TREATMENT THE CLIENT CAN USE PHITOPIC CREAM THAT WILL ELIMINATE THE PROBLEMS (THE PACKAGE LEAFLET PROVIDES HOW TO USE INSTRUCTIONS). PHITOPIC IS AVAILABLE/CAN BE ORDERED IN THE SALONS WHERE THE TREATMENTS ARE DONE.

IF A PERSON IS PRONE TO HERPES, HE/SHE SHOULD REDUCE THE POSSIBILITY OF ITS OCCURRENCE BY ADDING SUPPLEMENTS TO THEIR DIET. WE RECOMMEND DR. PHI IMMUNE ANTI-HERP SUPPLEMENTS, WHICH ARE AVAILABLE IN SALONS WHERE THE TREATMENTS ARE DONE (HOW TO USE INSTRUCTIONS CAN BE FOUND IN THE PACKAGE). LIPS PIGMENTS SHOULD ALWAYS MATCH THE NATURAL COLOR OF THE LIPS, WHILE THE EYELIDS AND SCALP PIGMENTS SHOULD MATCH THE NATURAL COLOR OF THE HAIRS. THE TECHNIQUE IS INTENDED FOR ANYONE OVER THE AGE OF 18 (PERSONS UNDER 18 MUST BE ACCOMPANIED BY THEIR PARENTS) WHO WANT TO CORRECT THE AESTHETIC PROBLEMS OF THEIR LIPS, EYELIDS, SCALP OR AREOLA. PAIN DURING THE TREATMENT IS RELATIVE. SCARED CLIENTS USUALLY FEEL STRONGER PAIN, WHILE THE OTHER CLIENTS COMPARE SUCH PAIN WITH THE ONE THAT THEY FEEL WHEN PLUCKING OUT EYEBROWS. IN ADDITION, WITH WOMEN HAVING PERIOD THERE IS AN INCREASED SENSITIVITY TO PAIN, SO IT IS NOT RECOMMENDED TO DO THE TREATMENT WHILE LADIES ARE ON THEIR PERIOD. IT IS POSSIBLE TO USE LIGHT ANESTHETICS, IN FORM OF CREAM OR LIQUID, TO COMPLETELY ELIMINATE PAIN DURING THE TREATMENT.

ALL TREATMENTS ARE DONE WITH STERILE, HYGIENIC AND DISPOSABLE TOOLS THAT OFFER THE CLIENTS THE HIGHEST AND SAFEST STANDARD.
